Team Event

Jokers

How it works

Each team has 8 Jokers, 2 per player. You may apply the Jokers at any time in the round and the resulting points for that hole will be double.

Rules

- *Each team has 8 Jokers*
- *A four ball team must apply 2 Jokers per player*
- *To aid teams that are left short of players (i.e. 3 ball team) the team will have 9 Jokers, 3 per player.*
- *You must declare your Joker is being used to the team captain (scorer) before you Tee off on the hole*
- *You cannot decide halfway through a hole just because you have played it well.*
- *Any number of players within a team can play their Joker on the same hole.*
- *You must have a J marked on your card on the holes you have used it on.*
